

# RPAC of New York's Major Investor Installment

It's now easier than ever to become an RPAC Major Investor. RPAC of New York's Major Investor Installment Plan gives REALTORS® the ability to invest in RPAC on an installment basis in an effort to achieve Major Investor status by the end of the 2025 RPAC fundraising year. All investments must be received by NYSAR by Friday, November 28, 2025 to be applied toward the 2025 fundraising year.

To get started, simply choose a Major Investor level, select the five months when you would like to invest, provide your credit card information and return this form to NYSAR Government Affairs. Your credit card will be charged five installments over the five months you selected and you will be an RPAC Major Investor by the end of the year. Please note: Your credit card will be charged on the 1st day of each selected month.
